Important Information

In this first part of the booklet We explain important information about this Policy including how We will protect your privacy and how to make a complaint or access our dispute resolution service.

Your duty of disclosure

What you must tell us

Before you enter into an insurance contract, you have a duty of disclosure under the *Insurance Contracts Act 1984*.

If we ask you questions that are relevant to our decision to insure you and on what terms, you must tell us anything that you know and that a reasonable person in the circumstances would include in answering the questions.

You have this duty until we agree to insure you.

If you do not tell us something

If you do not tell us anything you are required to tell us, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

We use your personal information so we can do business with you, which includes issuing and administering our products and services and processing claims. Sometimes we might send your personal information overseas. The locations we send it to can vary but include the Philippines, India, Ireland, the UK, the US, China and countries within the European Union.

Our Privacy Policy describes in detail where and from whom we collect personal information, as well as where we store it and the full list of ways we could use it. To get a free copy of it please visit qbe.com.au/privacy or contact QBE Customer Care.

It's up to you to decide whether to give us your personal information, but without it we might not be able to do business with you, including not paying your claim.

Resolving complaints & disputes

At QBE we're committed to providing you with quality products and delivering the highest level of service.

We also do everything we can to safeguard your privacy and the confidentiality of your personal information.

Something not right?

We know sometimes there might be something you're not totally happy about, whether it be about our staff, representatives, products, services or how we've handled your personal information.

Step 1 – Talk to us

If there's something you'd like to talk to us about, or if you'd like to make a complaint, speak to one of our staff. When you make your complaint please provide as much information as possible. They're ready to help resolve your issue.

You can also contact our Customer Care Unit directly to make your complaint. Our aim is to resolve all complaints within 15 business days.

Step 2 – Escalate your complaint

If we haven't responded to your complaint within 15 days, or if you're not happy with how we've tried to resolve it, you can ask for your complaint to be escalated for an Internal Dispute Resolution (IDR) review by a Dispute Resolution Specialist.

The Dispute Resolution Specialist will provide QBE's final decision within 15 business days of your complaint being escalated, unless they've requested and you've agreed to give us more time.

Step 3 – Still not resolved?

If you're not happy with the final decision, or if we've taken more than 45 days to respond to you from the date you first made your complaint, you can contact the Australian Financial Complaints Authority (AFCA). AFCA is an ASIC approved external dispute resolution body.

AFCA resolves insurance disputes between consumers and insurers, at no cost to you. QBE is bound by AFCA decisions - but you're not. You can contact AFCA directly and they'll advise you if your dispute falls within their Rules.

Disputes not covered by the AFCA Rules

If your dispute doesn't fall within the AFCA Rules, and you're not satisfied with our decision then you may wish to seek independent legal advice.

Privacy complaints

If you're not satisfied with our final decision and it relates to your privacy or how we've handled your personal information, you can contact the Office of the Australian Information Commissioner (OAIC).

Claims made and notified

Sections 1,2,3 and 5 of this Policy operate on a 'claims made and notified' basis. This means that the Policy covers you for claims made against you and notified to us during the Policy Period.

The Policy does not provide cover in relation to:

1. acts, errors or omissions actually or allegedly committed prior to the retroactive date of the Policy (if such a date is specified);
2. claims made after the expiry of the period of insurance even though the event giving rise to the claim may have occurred during the Policy Period;
3. claims notified or arising out of facts or circumstances notified (or which ought reasonably to have been notified) under any previous policy;
4. claims made, threatened or intimated against you prior to the commencement of the Policy Period ;
5. facts or circumstances of which you first became aware prior to the Policy Period, and which you knew or ought reasonably to have known had the potential to give rise to a claim under this Policy; and
6. claims arising out of circumstances noted on the proposal form for the current period of insurance or on any previous proposal form.

Where you give notice in writing to us of any facts that might give rise to a claim against you as soon as reasonably practical after you become aware of those facts but before the expiry of the Policy Period, you may have rights under section 40(3) of the *Insurance Contracts Act 1984* (Cth) to be indemnified in respect of any claim subsequently made against you arising from those facts notwithstanding that the claim is made after the expiry of the Policy Period. Any such rights arise under the legislation only. The terms of the Policy and the effect of the Policy is that you are not covered for claims made against you after the expiry of the Policy Period.

Policy Wording

This Policy is underwritten by QBE Insurance (Australia) Limited ABN 78 003 191 035 AFSL 239545.

Our Agreement

Your Policy is an agreement between you and us, made up of:

- This Policy Wording
- Your Policy Schedule, which sets out the cover you've chosen and any terms specific to you.

The cover under this Policy is provided during the period of insurance, once you've paid us your premium. There are also:

- Conditions and exclusions which apply to specific covers or sections;
- General exclusions, which apply to any claim you make under this Policy;
- General conditions, which set out your responsibilities under this Policy;
- Claims conditions, which set out our rights and your responsibilities when you make a claim; and
- Other terms, which set out how this Policy operates.

Deductible

You must pay any deductible which applies to your Claim. The Deductible which you have to pay are set out in this Policy Wording or on your Policy Schedule.

How much we'll pay

The most we'll pay for a claim is the Limit of Indemnity which applies to the cover or section you're claiming under, less any deductible.

The most we will pay for any extension of cover where a sub-limit applies is set out in the respective extension of cover you're claiming under.

How Goods and Services Tax affects any payments we make

Unless we say otherwise, all amounts in this Policy are inclusive of GST.

We require the Insured to tell us if registered, or are required to be registered for GST and provide its ABN and the percentage of any input tax credit the Insured will claim, or will be entitled to claim, on the Premium.

When we pay a claim, the GST status of the Insured will determine the amount we pay. The claim settlement amount will be adjusted to allow for any input tax credit that is or may be available.
